# Cerberos Interview

Interview with Silkie of Cerberos By Filippetto/Vega

Cerberos are one of the most famous crews from Hungary. You all know that just 1 year ago the hungarian scene was very little, but now it's getting bigger and bigger... Here's a short interview with Silkie of Cerberos. He usual does gfx but he also is a swapper.

**- So, here we are. Tell me something about your group (members, aims...)**

- Well, Cerberos woz founded during the summer of 1990. Our first success was the 1st prize at the Chromance-party in Hungary, there we presented 3 demos for the competition, and they've pumped us up to the top. At the moment we have about 10 members.

**- Do a quick review of the scene there in Hungary...**

- Our scene started to awake only about a half year ago, but nowadays there are lotsa good groups keeps alive the home scene. The most powerful ones are: Majic 12, Chromance, 23 Celsius Crew, Soc. Brigade, Grace, V.I.P., Northstar Hungary, Live Act and ofcoz Cerberos. The others are still beginners (he-he).

**- And tell me sumthin'bout the girlies in Hungary...**

- Yep, what to say, they're lovely as everywhere! Oh, but there is a big difference compared to other girls: the hungarian girlies can speak hungarian! (Don't kill me pleez...just a lame joke!)

**- You, like me, hate the fuckin' lame school. Why? And why don't we found an organisation with Mafia or sumthin' like that to throw a bomb over our school?**

- Ya know, I hate school coz I hate that when brainless shitheads (teachers..) are trying to command me! (Yeah, I'm a rebel...) And really, if may I ask, why don't we use bombs? *(Ed: If you're reading and you're interested in supplying bombs or missiles, contact us: you do it for a right cause!)*

**- Back to the Amiga. What's your favourite drink? (No, just kidding). What kind of projects does Cerberos have for the future?**

- In the near future we'll seriously activate ourselves in the game-business, but ofcoz we'll keep up our name in the scene too! You asked 'bout my favourite drink: hmm...I prefer fresh blood!

**- Some latest words to say/people to greet-fuck?**

- At first best wishes to all the editors and readers of Freedom Crack, especially you, Filippetto, for interviewing such an idiot like me! (He-he) I don't want to make commercial for lamers by sending fuckings here. And at last, remember that great guy, who firstly said something like: frienship rulez! Cerberos, the guardian of the hell!

Thanx to Silkie of Cerberos for the interview!
