New Years Eve (1/2)

by Brainie of Clones

This is little story about partying in Finland. This story (true one) starts in 28.12. 1989 when Jukkis of Nikki Corruptions of Clones came to meet (cool) guys from Clones HQ. He came about 16.00 o'clock (his record! he lost his way only once when he was coming here) Well, we were hanging around couple of hours. And about 8.30 we came to my place to copy about 250 disks! (horrible?) Jukkis copied and I and Awcy looked video-films (aahh...) Gladly Jukkis got beer with him (njam!) I and Jukkis drank beer. Awcy didn't! (he doesn't like beer. Strange guy!) Well about 7 o'clock he was ready! All disks were copied! It took over 10 hours to copy all those disks. What a job. Well, Awcy and Jukkis went to Awcy's place and I went to sleep (clock was about 8.00) At 9 o'clock they came back! I only slept about 1 hour (thanx guys!) I got fucking bad hangover! We left to Jukkis place. (it's about 300 km from here) We got great time (yeah...) Awcy and Jukkis didn't slept even hour. (grazy guys) Jukkis was driving (only one who got license!) Everyone were sleeping whole way (even Jukkis! I'm wodering how did we managed to get there!) We almost drove out from road about 10 times! And once we almost hit big truck (gladly I was awake enough. We would be dead meat at this moment!) Well, we got funny moments too! Once I told Awcy to shout rape from window. We were at gasstation at that moment. Ok, Awcy shouted RAPE as loud as he could and Jukkis drove away from gasstation as fast as he could! It was really funny to look peoples funny faces when we did that! Well, at last we came to Jukkis place. Jukkis lives in city called Kouvola. It was about 1 o'clock when we were there. We didn't do anything special in couple hours. We meet Geek of Clones (great man) and couple others. At 6 o'clock we went to railwaystation to get Jukkis's cousin from there. His cousin's name is Ismo (The boozeman!) He is fucking great guy! Well, it was Friday night and of course we dedicated to drink booze! Well, we drunk booze. Jukkis went to somekind of bar with his old girlfriend. He said that he drinks only one beer. Well, we continued drinking (I, Awcy and Ismo) After two hours Jukkis came back with another women (not with his ex-girlfriend!) Then he went away again, but gladly he came back soon. Then we left to get his ex-girlfriend from somewhere.
