News And Informations (1/5)

by Chester of Brainstorm

All News and Informations were collected and censored by CHESTER of BRAINSTORM. So, if you have any News from your famous crew, about parties, boards, rumors,... then just send them to my P.O. BOX 2, 4148 Pfeffingen, Switzerland. If you send a letter or a disk with an article or an advertisement, always write down the News from you! So, it will get in this article an enormous Newscollection.

In the last weeks there were big movements in some leading groups, so for example **M.A.D** is dead. Before M.A.D dies, WHQ (BBS) of M.A.D joined **PARANOIMIA**. Then M.A.D-members have found **LEGEND**. At the same time, members from **TRILOGY** found **PARADOX** with some other members from **KEFERNS** and **REBELS**. And finally the members of **LEGEND** (M.A.D) joined **PARADOX**, too. So, **PARADOX** is a really elite-crew! (STX)

Promax and some other ex-Kefrens members left **PARADOX** to rejoin **KEFERENS**.

The **PARANOIMIA** WHQ was busted by police.

TOP SWAP and some members of **PUBLIC ENEMIES** have formed a new group called **ADEPT**. Top Swap is dead.

A new group is born out of coders and crackers from Illusion, called **ZYLON**. They want to compete against the top groups.

THE LINK is reborn.

LEVEL FOUR has got two new members from **Access**. The new ones called Stranger (Coder) and Duke (Modem Trader).

The **BLACK SKYLINE** (BBS from Whiteheat / **TRISTAR**) is again online.

STORM said that they wanted to beat **RED SECTOR** at the **RSI**, **AFL**, **SPECTRAL** Party. But they did not come, so Dark and Coke of **RSI** are still waiting for them... (RSI)

FUSION have changed their name to **HYSTERIA**.

Page 2/2

Corsair/**DRAGONS** is stopping his coding activities. (Remember his demos in the DRAGONS-Mega-Demo!). (ATZ)

The German section of **PULSAR** is getting legal. Because of that the French and the Austrian sections perhaps change their name.

All rumors about **VISION FACTORY** are not true. (Look at the interview in this ZINE-issue)

Some **BRAINWAVE** - members joined North Star and called now **NORTH STAR** France.

The Dream Masters are dead. They joined **AXXIS**.

SETROX and **ALCATRAZ** in trainer-cooperation. But this is not a really cooperation, they just do this because they do not want to produce the same trainer at the same time.

There was a rumour that **ALCATRAZ** kicked out the French section, but it should be not true.

THE CLAIRVOYANT are coming from the good old C64 in the Amiga-scene.

This article originally appeared in the Amiga diskmagazine "Zine #5" by Brainstorm 1990.

Some content may refer to activities that are illegal in some countries. BitFellas does not support such activity.
