Crionics Interview (3/3)
by Chester of Brainstorm

Other jokes are very good too if they are good told. A good joke? I will try one! The Pope died. He knocked on Heavens Door. An angel opened and asked: "Who are you?" "I'm the Pope of Rome." "Rome in Italy or in Australia?" "Rome in Italy." "I don't know anything about the Pope in Italy.", the angel said and closed the door. The Pope went to the first floor and knocked again. An angel opened.

"Who are you?", the angel asked "I'm the pope of Rome." "Rome in Italy or in Australia?" "Rome in Italy." "I don't know anything about the Pope in Italy" the angel said and closed the door. The pope went to the second floor and knocked again. The Holy Spirit opened and asked: "Who are you?" "I'm the Pope of Rome in Italy." The Holy Spirit said: "Oh, you were the asshole who told the whole world I fucked Maria!" - He He - checked it?

26.No,... what do you think about the Crusaders Euro Charts?
Crusaders Euro Chart is good, too. But ZINE is better!

27.(??) Do you like the sound of our AMIGA? Which ones do you prefer?
No, I hate him. I killed my loudspeakers for a long time because I only like the sound of my SHARP 1403, yeah, what a hearing.

28.Copyparties, are there a lot of in Austria? Do you like other-ones?
Copy Parties in Austria? The rarest thing here! The best Copy-Parties are in other countries! That's totally shit I think!

29.What's about female computer-users? Do you know any girls in the scene?
I have never seen a girl on a computer like the Amiga but there are a few I think!

30.So, for the end you've got the chance to write something you want to write!
Well, this is my chance. Now I write what I want but what do I want? Should I write some greets? Or should I write a poem? No, a big thank to Thunderhawk for all the nice help!

Nice of you to answer all questions, yours...
