Saito (Vision Factory, Crack Inc., Prestige, TRSI) (00.00.0000) cracker

Saito, Mon 09 Jul 2007

Interview (MediasRes) of: Saito/Prestige

Handle:

Saito

How did you come up with your alias ?

Found somewhere in a newspaper and I liked it.

City / Country:

Germany

Born year:

1971

What was your first computer, and when did you get it?

VIC-20 1982, VC-64 1984, Amiga 1985, Macintosh 1991, PC 1994

How did you get into the scene and what groups have you been a member of ?

I am in the scene since 1985. Started coding on the C=64 and cracking. After releasing several trainers & cracks for C=64 games under my old handle, I decided to do the same on Amiga when it was released. The groups I joined as cracker were TRSI, Vision Factory, Crack Inc. & Prestige.

What was the proudest moment in your career ?

Releasing "Dynablasters" for Vision Factory because the game was released several months after my crack.

For what specific reason(s) do you think that you are remembered ?

I dunno, maybe for some cracks.

What would you like to be remembered for ?

To be a cracker (who cracks for the group & not for fame and money)

What made you stop the scene activity ? (and do you remember when?)

I am still active doing things on Macintosh & PC

Thinking back on the good old days, is there anything you regret?

All the fine parties held by the popular groups.
