00 - Welcome to the ZINE #12 Online Edition

Axel, Sun 26 Aug 2007

Brainstorm and BitFellas warmly welcome you to the online edition of [ZINE #12](#).

While the looks of this section are nowhere near the final design of the online edition, it already gives you access to the content. We are currently hard at work on the design so it matches the looks of the executable program and the design of the ZINE website. So rest assured, there will be more tweaks very soon as we move ahead towards ZINE #13.

For the full experience (effects, music, fancy presentation etc), please refer to the executable program which can be downloaded [here](#).

We hope you like ZINE #12 and look forward to seeing you again in ZINE #13. Feel free to send us feedback, criticism, ideas, suggestions, artwork, articles etc to [zine \(at\) bitfellas \(dot\) org](mailto:zine(at)bitfellas(dot)org).
