Which parties do you intend to go to, and which parties would you like to go to? Please describe your personal experiences with your most favourite or impressive party you have ever been at.:

Breakpoint - Better then the Hunt for some Easter Eggs

Evoke - Not far from my Homecountry and was evertime nice

Radwar - Like a Family Meeting for me.

Tristar Party and local Meetings

It would be nice to join a BPM Meeting for me due the familiar and respectfull way they go.

My Best Experience was the Breakpoint 2005 Party due the famous Style and the first Release after many Years for us.

How did the scene alter since you are taking an active part in it? Can you explain why?:

Hmm it becomes more modern and there are not much old Systems left. I miss simple the good old Times but that is the same our Parents say about the 60 ´s =)

What are your dreams/goals in life, did scene help you and have you achieved them yet?:

Scene helped me to stay individual and creative. It gave me the Chance to learn many about People and also to meet them... My Dreams are not archieved but i must say Thanx to the Scene and that what it gave to me and how it formed me....

Finally, do you have some special greetings? Feel free to add links to your graphics, screenshots of effects, modules or other pieces of your work.:

Simple to all our Friends - What can i say more
