Interview With Warp 9

GRAY of Warp 9 has been interviewed for you by Majestic of Brainstorm.

A short history about your group.

-??? Just joined!

What's your function in your group?

-Spreader, Compiler, Grafix.

What do you think about your local Amiga scene?

-The inevitable losers are here but some of the older guys are cool.

What's your opinion on demos?

-Demos are neat, as long as they're original and not just ripped source code.

Your favorite hobby?

-Phreaking!

Do you have a modem?

-Not at the moment, I use one once a week. I'm looking for a cheap 9600 at the moment.

A few words about phreaking.

-It make life worth living.

Tell us a good demo you have recently seen.

-Scoopex (glory Stars) S.A.E. Scoopex (M.U.Later) RSI MegaDemo.

How many swap partners do you have?

-19 so far.

Will that number change in the future.

-Every week!

Is the fastness of modem trading affecting you?

-It's the only way forward, as long as you know someone with one, you're ok.

Tell us, what you think about the American scene.

-FUCK ALL!

Have you got anything good to tell us about other scenes?

-What other scenes?

Have you heard any good/bad/ important rumors lately? If so what?

-Members of Quartex & Paranoimia are really good friends!!! Hahaha....

What's your opinion to about heroes like BS1, The Kent Team, SCA etc?

-The inspired many people and will be remembered by all.

List us the best newcomer groups.

-Warp 9, Blitting Image, ITV.

Who's your favorite programmer?

-Delta of RSI.
