Brainstorm ad is not faithfully reproduced here due to a bug (or feature, for all I know) in our content management system. Will fix this in the future.

This article originally appeared in the Amiga diskmagazine "Zine #1" by Brainstorm 1989.

Some content may refer to activities that are illegal in some countries. BitFellas does not support such activity.

Addresses and other contact information were only valid when this magazine was originally published, in October of 1989.
